

The diagram consists of a large light gray rounded rectangle. Inside it, on the left, is a white oval with a black border containing the text 'control\_input'. On the right is a smaller light gray rounded rectangle with a black border. Inside this smaller rectangle, at the top, is the text 'control\_input'. Below it is a pink oval with a black border containing the text 'Saturator (control\_input.py:13)'.

control\_input

control\_input
