

The diagram consists of a large light gray rounded rectangle. Inside it, on the left, is a white oval with a black border containing the text 'determine'. On the right is a smaller light gray rounded rectangle. Inside this smaller rectangle, at the top, is the text 'determine'. Below it is a pink oval with a black border containing the text 'JudgeFail' and '(determine.py:16)' on two lines.

determine

determine

JudgeFail
(determine.py:16)
